

ENTERPRISE CHICAGO

*A diversified services company serving individuals,
businesses and other professionals.*

Leveraging Your Strengths

Our practice focuses on securing the many incentives and benefits provided to companies and entrepreneurs to support their growth and vitality. Companies of all sizes and types frequently fail to utilize the available federal, state and local benefits offered to help them succeed. The Chicago region is home to multiple areas designated for special economic, financial and tax preferences as well as other non-monetary benefits. We help you use them.

Because of our proactive approach and network of regional and national affiliates, we can assist clients in developing business strategies and practices that leverage their own existing strengths to achieve even greater success. We don't just advise, we facilitate.

Our Service Areas Include:

- [Enterprise/Empowerment/Renewal Zones](#)
- [Economic and Financial Incentives](#)
(TIF, Tax Credits, Deductions & Exemptions, Below Market Financing)
- [Property and Facilities Consulting](#)
Site Selection, Property Tax Assessment & Review
- [Survey, Audit, Value Recovery \(SAVR\)](#)
Review prospective/completed transactions to avoid/uncover overpaid income, transaction and sales taxes, as well as trade duties and charges
- [Regulatory & Advocacy](#)
Work with regulatory officials and political leaders to secure

Earning Clients' Trust

[Enterprise Chicago](#) serves commercial enterprises and institutions of all sizes, including large multinational corporations, non-profit organizations, family businesses and start-ups. We help clients to structure and manage their businesses and operations, and show them how to utilize the wide variety of government programs and incentives available to maximize benefits and avoid missed opportunities and wasted resources.

Our commitment to professional excellence and individual attention instills confidence in our clients and helps us earn their trust. We respect and value our clients' knowledge and experiences, and won't pretend to know how to run your business better than you.

Local Presence, National Reach, Global Expertise

How Can We Help You?

Building a reputation for excellence and quality, Enterprise Chicago and our affiliates serve businesses across many industries and sectors, including manufacturers, financial institutions, technology companies, retail and service companies, and real estate management firms. We provide value-added services that benefit companies large and small, no matter how complex or how simple their core business might be.

Some clients are so busy managing their growth, that they don't make time for sound planning and analysis. You'll always strive to work harder, but we help you work smarter.

If you're savvy enough to welcome input and assistance that adds value to your hard-earned success and your bottom-line, we're eager to help your company explore any number of ways to better leverage your strengths.
